

E.coli in 60 minutes

An overview of E.coli.

right solutions.
right partner.

This ALS course is about Escherichia coli (E.coli) and STEC E.coli, their significance in food or the food factory and what illnesses can they cause. It includes how the laboratory test for this group of organisms and what those results could indicate. It deals with the complexity of STEC E.coli testing and what the results mean. The course will also cover preventative environmental measures that can be put in place.

Who Should Attend:

This course will be of interest to factory QA and Technical staff.

- Duration: 60 minutes including Q&A
- Speaker: Keith Watkins - ALS Technical Specialist
- Cost: 55€+ VAT (per person)
